Re: Edward Snowden

URGENT NOTIFICATION

Dear Liaison Officer,

(U//FOUO// REL TO USA, DNK, NOR, SWE, FIN) As you are most likely aware, the U.S. Department of Justice recently filed a sealed criminal complaint charging U.S. citizen Edward Snowden with espionage, theft, and conversion of government property. Currently, Snowden is at the Moscow International Airport and has been since arriving from Hong Kong on Sunday, 23 June 2013. Snowden's final destination is unknown at this time. Based on a review of available direct commercial flights from Moscow, our service has determined that such a flight is available to each of your respective countries.

(U//FOUO// REL TO USA, DNK, NOR, SWE, FIN) The FBI requests that your service immediately notify the necessary and applicable agencies of the below information in the event that Snowden should board a flight from Moscow to one of your respective countries for either transit purposes or as a final destination. As of now, our service is not aware of any information that Snowden will attempt to reach one your respective countries.

(U//FOUO// REL TO USA, DNK, NOR, SWE, FIN) Snowden's current status is as follows and should be considered if he is placed on a direct flight to Denmark, Norway, Sweden, or Finland from Moscow:

- 1) The U.S. Department of State has revoked Snowden's U.S. Passport and it is no longer a valid travel document.
- 2) The U.S. Department of Justice filed a sealed criminal complaint charging Snowden and has prepared a Provisional Arrest Warrant. The U.S. Department of Justice is prepared to

Sincerely,
